

Pesticide Residue Sample Submission Form

ISO/IEC 17025:2017 ACCREDITED

South Dakota Agricultural Laboratories
1335 Western Avenue
Brookings, SD 57006
SDCS@sdaglabs.com, (605) 692-7325

Name: _____

Address: _____ City: _____ State: _____

Zip: _____ Phone: ____ (____) _____ - _____ Email: _____

Billing Information: ☐ Check box if billing is the same as customer information.

Name: _____

Address: _____ City: _____ State: _____

Zip: _____ Phone: ____ (____) _____ - _____ Email: _____

Results and invoice will be emailed to the provided email address(es). Sample ID must be clearly marked on each sample submitted.

Customer's Sample ID	Sample Description (Soil, Plant)	Date Collected	Lab ID (lab use only)

☐ Check box if you require MDA Compliant reporting. Subject to additional fees.

Pesticide/Herbicide/Insecticide/Fungicide Analyses offered are listed on the next page.

-Acceptable samples include **Vegetation** or **Soil**. Call to confirm other substrates. Please send a gallon-sized bag of affected vegetation or four cups of soil. *Multiple tests may require additional sample material.*

-A **\$13.20** sample handling fee is added to each individual sample.

-If you are interested in a **screen (\$257.40)** of active ingredients, please **check the box** next to the **bold-faced** heading.

-If you are interested in an **individual analyte (\$192.50)**, please **circle** the active ingredients. You may circle an individual analyte found within a screen if only that compound is of interest.

Azole Screen ☐

Brassinazole
Cyproconazole
Difenoconazole
Epoconazole
Fluconazole
Ipconazole
Isavuconazole
Metconazole
Propiconazole
Prothioconazole
Ravuconazole
Tebuconazole
Tetraconazole
Thiabendazole
Uniconazole
Voriconazole

Pyrethroid ☐ Screen (\$321.20)

Bifenthrin
Cyfluthrin
Permethrin
Lambda-Cyhalothrin
Gamma-Cyhalothrin
Cypermethrin
Deltamethrin
Chlorpyrifos ethyl
Chlorpyrifos methyl
Individuals are \$234

IMI Screen (\$400) ☐

Analysis will be performed by Pacific Ag Labs
Imazamox
Imazapic
Imazapyr
Imazaquin
Imazethapyr
Individuals are \$320

Neonic Screen ☐

Acetamiprid
Clothianidin
Thiacloprid
Imidacloprid
Thiamethoxam
Nitenpyram
Dinotefuran

Strobin Screen ☐

Dimoxystrobin
Picoxystrobin
Azoxystrobin
Pyraclostrobin
Orysastrobin
Trifloxystrobin
Fluoxastrobin

PGR Screen ☐

2,4-D
2,4,5-T
2,4,5-TP
2,4-DB
2,4-DP
Bentazon
Bromoxynil
Clopyralid
Dicamba
Fluroxypyr
MCPA
MCPP
Picloram
Pyrasulfotole
Quinclorac
Triclopyr
Acifluorfen

Pre-Emergent Screen ☐

Acetochlor
Alachlor
Atrazine
Dimethenamid
Metolachlor
Metribuzin
Pendimethalin
Prometon
Simazine

Sulam Screen ☐

Cloransulam-methyl
Florasulam
Flumetsulam
Penoxsulam
Pyroxsulam

SU Screen (\$400) ☐

Analysis will be performed by Pacific Ag Labs
Bensulfuron-methyl
Chlorimuron-ethyl
Chlorsulfuron
Cloransulam-methyl
Foramsulfuron
Halosulfuron-methyl
Mesosulfuron-methyl
Metsulfuron-methyl
Nicosulfuron
Pirimiphos-methyl
Primisulfuron-methyl
Rimsulfuron
Sulfometuron-methyl
Thifensulfuron-methyl
Tribenuron-methyl
Individuals are \$320

OP Screen (\$321.20) ☐

Glyphosate
Glufosinate
Individuals are \$257.40

Individual Active Ingredients

Abamectin
Aldicarb
Aminocyclopyrachlor
Aminopyralid(\$257.40)
Benzovindiflupyr
Bicyclopyrone(\$257.40)
Carbaryl
Carbofuran
Carfentrazone-ethyl
Chlorantraniliprole
Chlorophacinone
Clethodim
Clomazone
Diflufenzopyr
Emamectin benzoate
Ethofumesate
Fenoxaprop-p-ethyl

Fipronil
Fluazifop-p-butyl
Fluazinam
Flucarbazone
Fludioxonil
Flumioxazin
Fluopyram
Fluthiacet methyl
Flutriafol
Fluxapyroxad
Fomesafen
Hexazinone
Indaziflam
Indoxacarb
Isoxaben
Isoxaflutole
Lactofen
Mefentrifluconazole
Mesotrione
Metalaxyl
Myclobutanil
Napropamide
Nitrpyrin
Oxathiapiprolin
Oxyfluorfen
Pinoxaden
Propanil
Propoxycarbazine
Prosulfuron
Pydiflumetofen
Pyriothibac sodium
Pyroxasulfone
Quizalofop-p-ethyl
Saflufenacil
Sedaxane
Sethoxydim
Spinosad
Spiriotetramat
Sulfentrazone
Sulfosulfuron
Tebuthiuron
Tembotrione
Terbacil
Thiencarbazine-methyl
Thiophanate-methyl
Topramezone (\$257.40)
Triasulfuron
Triflurosulfuron-methyl
